

NOVELTY IN THE MARKET!

INTERDAMO

Screen printings on syringes

Dear Readers,

Our company introduces a one-color screen printing for big syringes - from 20ml to 100ml.

The solution proposed by us can be an excellent alternative to standard labeling.

On the right side are examples of photos of screen printings on our clients' syringes:

For more detailed information, please feel free to contact us by phone or by e-mail.
